The treasurer's report was presented by Bob and it represented finances through May 22, 2023. Some discussion and questions was had about where money was gaining the best interest and if we could do something better. Dave R motioned to accept; Matthew seconded with no objections.

Old Business:

- Frank looked at insurance rates and thinks we can save some if we get ahead of it next year. It goes up each year. It was suggested to compare what other Repeater/clubs are doing for insurance.
- Discussed PL tone that was approved for the 146.700 repeater. Bob is hoping to get something scheduled by mid June.

New Business:

- Review repeater interference status –
 - Targeted ham(s) interference seems to have increased a little but perpetrators don't stay on long enough to get a bead on them.
- Matthew contacted folks at the Justice Center about possibly putting something on the building. Our contact is a ham and is supportive of such effort.
- Next meeting is a Board Meeting on June 26 at 7PM at Salvation Army.
